REPORT AND RECOMMENDATION

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on November 23, 2005, after receiving the written consent of defendant and all counsel. At the hearing, defendant Nicholas Cottrell entered a plea of guilty to count 1 of the Indictment charging him with possession with intent to distribute 50 grams or more of methamphetamine, in violation of 21 U.S.C. § 841(a)(1). On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to count 1 of the Indictment be accepted, and that the court adjudicate defendant guilty of the charge. Acceptance of the plea, adjudication of guilt, and imposition of sentence are specifically reserved for the district judge.

Dated: November 23, 2005

U.S. Magistrate Judge
